Amazon Gift Card redeem instructions

You can use a Amazon Gift Card to purchase games, books, clothing and more in the biggest online retail store of the UK! Please keep in mind that the gift cards you buy on Mobiletopup.co.uk are only valid on Amazon.co.uk. After you have bought an Amazon Voucher, you can immediately redeem the Amazon code. You can do this on the website. It is not difficult to do, especially not with the following redeem instructions.

How to redeem your Amazon Gift Card on the website:

1. Visit http://amazon.co.uk.
2. Click on 'Your Amazon.co.uk' in the top left.
3. Login with your email address and password. If you do not have an Amazon account, choose 'No, I am a new customer' and register before continuing to step 4.
4. Next, click on 'Your Account' and go to 'Apply a Gift Card to Your Account'.
5. Enter the Amazon code and click on 'Apply to Your Account'.

How to redeem your Amazon Gift Card on the Amazon app:

1. Open the Amazon app on your smartphone.
2. Sign in with your email address and password. If you do not have an Amazon account, choose 'New to Amazon.co.uk? Create an account' and register before continuing to step 3.
3. Open the navigation by clicking on the ☰ icon.
4. Click on 'Your Account'.
5. Click on 'Redeem a gift card'.
6. Enter your Amazon voucher code and confirm the entry by clicking on the 'Apply to your account' button.

Congratulations! You have successfully redeemed the Amazon code on the website. We hope you enjoy shopping in the greatest retail store with your credit.
