

## Google Play voucher redeem instructions

With a Google Play voucher code you can buy all the apps, movies and books you would like. But before you can start shopping, you need to redeem this code. You can do this on the website or in the Play Store app. It is not difficult to do, especially not with these redeem instructions.

### How to redeem your Google Play voucher on the website

1. Visit [play.google.com/store](https://play.google.com/store)
2. Click on 'Redeem' In the navigation menu on the left.
3. Enter your Google Play voucher code in the pop-up window that opens and click on 'Redeem'.

### How to redeem your Google Play voucher in the Play Store app

1. Open the Play Store app on your Android device.
2. Tap on ☰ to open the navigation menu.
3. Tap on 'Redeem'.
4. Enter your Google Play voucher code in the pop-up window that opens and tap on 'Redeem'.

*Congratulations! You have successfully redeemed the Google Play voucher code on the website or in the app, using your computer or an Android device. We hope you enjoy shopping in the Play store with your Play Store credit.*
