Nintendo eShop card redeem instructions

The Nintendo eShop Card is a versatile gift card. You can use it to buy Nintendo eShop credit or Nintendo Points. After you have redeemed the Nintendo Card for credit or points, you can buy content in one of the stores. In the following instructions you can read how you redeem a Nintendo eShop Card.

How to redeem your Nintendo Code in the Nintendo eShop:

1. Grab your 3DS, 2DS or WiiU and select the Nintendo eShop.
2. In the Shop, you choose for the icon 'Add Funds'.
3. Select 'Redeem a Nintendo eShop Card'.
4. Follow the instructions on your console and enter the 16-character activation code when asked.
5. Confirm your entry.
6. The Nintendo eShop credit is added to your Nintendo eShop account.

How to redeem your Nintendo Code in the Nintendo DSi Shop:

1. Grab your Nintendo DSi (XL) and select the Nintendo DSi Shop by clicking 'Start'.
2. Go to 'Add Nintendo DSi Points'.
3. Click on 'Redeem Nintendo Points Card'.
4. Enter your Nintendo code and select 'Ok' again.
5. The credit on your Nintendo eShop Card is now registered as DSi Points and these points are added to your DSi-shopping account.

How to redeem your Nintendo Code in the Wii Shop Channel:

1. Grab your Nintendo Wii and select the Wii Shop Channel.
2. Select the option 'Start Shopping'.
3. Go to 'Add Wii Points'.
4. Click on 'Redeem Wii Points Card' (can also be called 'Redeem Nintendo Points Card').
5. Enter your Nintendo code and select 'Ok'.
6. If necessary click 'Ok' again in the next screen.
7. The credit on your Nintendo eShop Card is now registered as Wii Points and these points are added to your Wii Shop Channel account.

You have successfully redeemed your Nintendo code via one of your consoles. We hope you enjoy shopping in the stores with your Nintendo credit or points.
